

New Corporate Product Range

Since 2002, Spartex has established itself as a leading pen manufacturer with superior craftsmanship and unmatched quality. Trusted by customers for over a decade, Spartex has evolved into a corporate gifting hub with its complementary, customised pens. Available in black and blue ink colours, these pens feature a stunning body design with a leak-proof cap. It also has a NSTC 0.5mm fine tip and smudge-free ink for an excellent writing experience. Customizations are available for cap colours and the number of pens in a packet. Additionally, the logo and company's name are inscribed as per the user's preference.
